Preferably one day mediations with parties and counsel. Previous
separate intake with parties and counsel. Begin if necessary with easing
tense personal relationships in a plenary meeting and getting parties on
speaking terms. We make an inventory of the issues, and the individual
and mutual interests. Then private confidential sessions and assisting
the parties in negotiating a settlement on optimal terms.
Facilitative mediation style and evaluative when requested or required.
Parties describe Neervoort as a success driven mediator. A dealmaker.
