

Name: Stan Putter  
Title: Partner  
Date of birth: 12 October 1981

Profile:

Mr. Putter is affiliated with HBN Law & Tax, a full service law firm servicing all territories within the Kingdom of the Netherlands. He leads an international litigation and arbitration practice group.

Mr. Putter acted in roughly 100 national and international arbitrations in various capacities, such as counsel to parties, chairman, co-arbitrator and sole arbitrator. He also assists parties in other ADR proceedings, such as mediation.

His expertise includes maritime construction disputes (relating to *i.a.* shipbuilding, conversions, engineering, (oil & gas and renewables) offshore platforms, offshore wind farms, dredging, port and terminal (re)development, cable installation, trenching and heavy lifting), charter-party disputes, ship management disputes, sale and purchase disputes and disputes relating to the (warehouse and tank) storage of goods, lashing, stevedoring, forwarding and transportation agreements. He also handles matters relating to ship and cargo arrests, ship auctions and ship mortgages as well as (maritime) joint ventures.

The disputes Mr. Putter is involved with often have an international character. He therefore not only applies Dutch but also foreign laws. His disputes relate to projects performed globally, with an emphasis on Western Europe and the Dutch Caribbean.

Current employment and relevant additional jobs:

- Lawyer/partner at HBN Law & Tax
- Chairman of the Dutch Arbitration Association ("DAA")
- Co-chair of the Construction Committee of the DAA
- Chairman of the Editorial Board for the Dutch Construction Delay & Disruption Directives
- Frequently appointed arbitrator in construction mandates
